Dear Sir or Madam,

I am really interested in working for あなたが応募した職場

I have professional and personal skills that are definitively an asset to 応募した職場.

I am a very positive person, and I am really motivated. I like Australia (I am still on my first visa, but I already got my second) and I would love to work into a remote cattle station.

I have farm experience, both in Australia and Japan. I did some gardening but also some construction work (fencing, painting and general maintenance) and I worked with animals with feeding, milking, taking care of them (able to work for long hours and in any weather conditions).

I am used to work with people, too: I worked in a Ski resort (excellent Customer service and attention to details), in a retirement home (patient and tidy) and with children in an outdoor activities organisation (patient and responsible).

上記は日本でのホスピタリティの仕事をしてきたということで人あたりの良さをアピール中です。

Please find attached my resume for you to review.

I eagerly look forward to the opportunity to discuss my application in full at a mutually convenient time where I can demonstrate my ability and enthusiasm and how I could be an asset to your company.

Yours Sincerely,
